

# Physical Chemistry and Radiochemistry

## Laboratory practise 2015-2016. fall semester

Only those may attend at the laboratory practises, who has been informed about the safety regulations. Wearing a labcoat is obligatory.

M1.: Liquid adsorption

M2.: Liquid/vapor equilibrium

M3.: Radiochemistry

with: Barbara Berke

Balázs Nagy/ Barbara Berke

Balázs Nagy/ Krisztina László

Place of practise: **F. building. I. staircase I. floor 137-138 Laboratory**

Before the measurements, please study the uploaded notes.

Date	Time	Measurements		
		M1.	M2.	M3.
30 October	12-15	1		2
6 November	12-15	2	1	
13 November	12-15		2	1

**Grades:** based on individual reports and laboratory tests

Budapest, 7 October 2015
